

Social- og Sundhedsskolen Herning

Study groups, formed as rotundas, clothed in 1.000 m² Furniture Linoleum at Campus Social- og Sundhedsskolen Herning.
 "We wanted to bring in texture in a robust environment. Besides we had a desire to contribute to a good acoustics. We considered several materials but chose Desktop Linoleum".
 Constructing architect Bent Veller Hansen, Aarstidernes Arkitekter A/S

Location	Social- og Sundhedsskolen Herning
Interior Designer	Aarstidernes Arkitekter A/S, Rotundas produced by WO Interior A/S
