

Blue Diamond Group's Trentham Garden Centre

Forbo inspires Blue Diamond at Trentham Gardens. Blue Diamond created an inspiring, design led, yet practical retail environment with Forbo Flooring, at its new Trentham Gardens homes and gardens outlet. Trentham Gardens is a busy homes and gardens retail outlet covering 6,000m². The company's retail philosophy is to create inspiring environments for customers. Interior design is a high priority for Blue Diamond and flooring plays a key role in making individual areas clearly identifiable to enable customers to easily navigate the store.
