

A1 Telekom headquarters

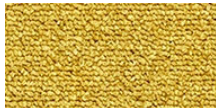

A1 Telekom Austria Group's new eight storey headquarters, located in the city centre of Skopje, incorporates various flooring solutions according to needs - Tessera carpet tiles for improved acoustics in the offices, Allura luxury vinyl tiles for its design and easy maintenance in the kitchens and Flotex flocked flooring in the conference rooms. All entrances were finished with a durable Coral Duo entrance system to protect the building's flooring from dirt and moisture from outside and to keep the floors looking great for years to come.
