AIS Saigon offers a top-quality international education that emphasizes the holistic development of both day and boarding students in a nurturing, multicultural environment. With a dedicated team of highly qualified expat teachers and a strong focus on academic achievement, sports, arts, technology, and personal growth, AIS students are prepared to excel in all areas of life. Allura Decibel, Sarlon 19dB and Surestep Original were chosen because of the quality and design, which matches the general look & feel of the school. Luxury vinyl tiles with a wood design and vinyl sheets that offer acoustic properties to minimize noise from footsteps, ensuring a quiet environment for students in the classroom. As for the Surestep, it was installed in the school's kitchen and cafeteria to prevent slips and ensure safety.
