

Boecker GmbH Berlin - Duistland

Office design and object design are the focus of Boecker in Berlin. The Boecker GmbH is one of the competent office and furnishers in Berlin. They deliver different office equipment from different suppliers. The renovated shop with modern furnisher and a new room concept is an eyecatcher. The chosen floor in different colour options classify the shop. Over 360 qm Marmoleum Modular and Marmoleum Fresco are laid. The highlight is the counter which is fitted with Marmoleum Modular.
