

Boecker GmbH Berlin

Office design and object design are the focus of Boecker in Berlin. Boecker GmbH is one of the competent office and furnishers in Berlin. They deliver different office equipment from different suppliers. The renovated shop with modern furniture and a new room concept is an eye catcher. The chosen floor in different colour options classifies the shop. Over 360 qm Marmoleum Modular and Marmoleum Fresco floor coverings are installed. The highlight is the counter which on with Marmoleum Modular is applied.
