

**Cafe Szczecin, Poland**

Cafe Szczecin in Poland is a colorful, vibrant Cafe in the center of Szczecin, Poland. In the cafe various colors of Marmoleum flooring have been applied. The Architects: "We were looking for an idea for uniqueness and diversity to stand out from the background. The striped composition was inspired by the space of the cafe: a large, rectangular room with a long glass window. The colors were inspired by 6 "fruit and flower" power shades: daffodil, tangerine, fuchsia, hyacinth, turquoise and lime.
