

Centre for support of social enterprises

The Centre for Support of Social Enterprises is a project supported by EPTISA Southeast Europe, including development on behalf of North Macedonia. The office in Skopje city centre has a Forbo floor covering scheme with heterogeneous vinyl and carpet tiles, starting with heterogeneous vinyl at the main meeting room with a contrasting pattern of Eternal Ocean and Eternal Snow. In another room, the flooring consists of a restful combination of Tessera Layout & Outline Alloy, Frosting and Tonic carpet tiles that complement the interior design.
