

**Chamber of Trades - Motte Servolex**

CMA de Savoie - Tokio Archi Int (Chambéry) - © photos J. Hasse

The chamber of trades has endowed its circulations and training rooms with flotex soils. The agency Tokyo has opted for a warm and hygienic floor, washable with water thanks to a 100% waterproof support. Flotex lab brings a personal touch to the totality of the signature of your place, the Flotex sets decorate the lobby, the meeting rooms.
