creating better environments

Charles R. Drew Charter School

The City of Atlanta’s first charter school recognizes that a quality school is the key to a healthy, vibrant neighborhood located in the East Lake community. Marmoleum Composition Tile was chosen as the predominant floor covering with its sustainable contribution LEED credits for natural materials and resources as well as the improvement of indoor air quality. The new, innovative upper campus was voted One of America’s “25 Coolest Schools” awarded by Scholastic Parent and Child Magazine.
