

Christleton High School

Contemporary design in education with Forbo's Tessera Circulate
 Creating a stimulating and imaginative learning environment for
 Christleton High School's new £750k research centre, Forbo
 Flooring Systems' Tessera Circulate and Tessera Arran carpet tiles
 have been specified as a key part of the interior scheme. Located
 in Chester, the new building houses a library, a state-of-art ICT
 suite and a resource room for the school.
