

Color me space interior shop

Color Me Space is an interior shop selling many unique interior furniture, props, and small items imported from America, India, and China. Forbo Korea suggested that Marmoleum Vivace #3403 should be a good collection to match Color me Space interior shop, and it was successful. Some part of the shop was installed with Marmoleum Vivace. The toilet and stairs are installed with Vivace #3405. And even some part of the wall was installed with Marmoleum Real.
