

FLOORING SYSTEMS

creating better environments

Daikin Head Office

Beginning from the building's mission to support the environment and Daikin's effort to implement the green building standard, Brawijaya Perkasa worked closely with the design consultant for this futuristic project, Qspace, to create an office environment that breathes sustainability.

Photography	Brawijaya Perkasa
Interior Design	Qspace (Prapanca Muchtar Design)
Location	Jakarta, Indonesia
Installation	Brawijaya Perkasa
