

Elgol Primary School

Isle of Skye primary school wins award with innovative Marmoleum classroom floor. In 2005 pupils at Elgol Primary school scooped the top award in the Contract Flooring Association's (CFA) National Schools Competition for their innovative Marmoleum® classroom floor design. Children at the primary school in Elgol, Isle of Skye, which was judged the overall UK winner, undertook research to ensure they selected the right type of flooring to best meet their requirements. The flooring had to be practical and hardwearing as well as colourful and fun.
