

creating better environments

Jeonju's showroom, environment and health where you can see various products of Forbo in one space. It is a unique and attractive space where you can see popular items such as Mamoleum, Salon, Flotex, Eternal Allura, etc. at once. There is no better reference than to see the construction site in person when selecting flooring materials. Visit the showroom with a variety of Forbo's products and feel Forbo's emotions.
