

Euronet Polska Office

In the Euronet Polska headquarter, located in the Gdanski Business Center in Poland, various flooring solutions from Forbo Flooring have been installed. The company occupies nearly 3,380 sq m. on the entire 5th floor in the building. The new spacious office environment allows to continue developing the company's business, while the building's well-connected location and healthy working environment helps to increase the comfort of the employees.

OUR GUIDING PRINCIPLES

- HUMILITY we leave our ego at the door
- EXPECTATIONS we never settle for less than the best
- RESILIENCE we work hard and meet deadlines
- OPTIMISM we achieve "what can't be done"
- EMPOWERMENT we take initiative; we're bold
- SUCCESS we strive to be fiercely competitive
