

F.C. Hansa Rostock Ostseestadion

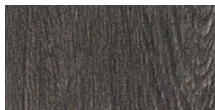

In the interview room and the vip lounge of the FC Hansa Rostock stadium in Germany Flotex flocked flooring planks have been installed. Flotex planks are not only very durable, they are also comfortable as they feel like carpet.

Installation by	Raumausstattung Reinhard Beumer, Petschow
Photographer	Matthias Groppe, Paderborn
Flooring contractor	Gustav Knittel GmbH & Co. KG, Rostock
Date of completion	2017
Location	Rostock, Deutschland
Project name	Renovierung des Presseraumes und des VIP Bereichs des Ostseestadions von F.C. Hansa Rostock
