

Forbo Showroom Etage1

Etage1 is Forbo Flooring Systems showroom in Stockholm, where Forbo invites its architects, customers and partners to showcase our new and exciting products. The showroom is constantly being updated to be in sync with our current news. For 2019, Flotex By Starck Vortex was chosen in color terracotta, as well as Tessera Cloudscape 3415 gulf stream and Tessera Layout Mono. The customer and the architect are both very pleased with the fine result.
