

G20 Summit 2016 Hangzhou, China

Being the first G20 Summit to be held in China, the host city-Hangzhou does not only have world-class landscape resources, but also a group of world-class Internet companies, cross-border e-commerce business. To meet the requirement of "Hangzhou style", we promoted Flotex and Needlefelt successfully. Flotex has the luxury design of wool carpet and easy to clean property as resilient flooring, Needlefelt is the most durable textile worldwide. Environmental friendly, innovative design and multiple functions were the key points to win.
