

Graaf Engelbrecht College

Graaf Engelbrecht is a public school in Breda for Atheneum, Havo and Mavo. Students can choose from 2 additional profiles, Sports and Media. Marmoleum Real flooring and Needlefelt flooring have been installed in the building. For the Marmoleum floor, Aquajet cutting technology has been used to make refined floor designs. The 2 Needlefelt designs (Ecosystems ECO 01-31 and Metropolis MET 04-13) are no longer in collection, but when you click on the tabletops below, you will be directed to the new designs.
