

## Hôpital Côte de Lumière des Sables d'Olonne

Founded in 1647, The Côte de Lumière General Hospital located in Les Sables d'Olonnes is divided into three major areas. First, medicine, emergencies and the mother and child center. Then, accommodation for elderly. Finally, accommodation for disabled adults. It's mainly Acoustique PVC that was used for this project, a puncture resistant flooring, recyclable and easy to maintain.
