

HUB Plaza

The Hub Plaza brings uncompromising performance and design in your new offices! The building is designed around a stunning atrium offering efficient office surfaces, an exceptional parking ratio and many services to higher your comfort at work! The atrium gives access to the different services through a healthy restaurant, a breakfast bar / coffee bar open from the morning till the afternoon, shared meeting rooms, shower facilities,... The outdoor terraces will invite you in summer times to work outside, the mini football table in the atrium will deliver great team moments!
