

Hartlepool Maritime Museum

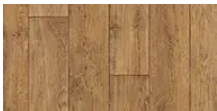

Natura, a Flotex High Definition (HD) design by Forbo Flooring Systems, has been used to recreate a ship's deck in the Childrens adventure centre at the Hartlepool Maritime Experience. For this reference an item of our Flotex vision collection "Naturals" have been chosen. Please take a look at www.flotexvision.com for more options.

Location

Hartlepool, United Kingdom

Used Products

Flotex Naturals distressed oak
