

Hatshoe Wormerveer

Hatshoe is located at the Market Square in Wormerveer, The Netherlands, and focuses on the sale of children's shoes in sizes 18 to 41. It is the largest shoe store in North Holland. Hatshoe likes to see children and parents leave the store with a big smile. The new floor - Sarlon Modul'up - created a big smile on the owner's face. Sarlon Modul'up can be loose laid without adhesives, so you can rapidly create a new look in your store.
