

Headquarters & Crew Center airBaltic

The new airBaltic headquarters in Riga, Latvia, features the most modern crew center in the Baltic region. The new headquarters, designed in 15 months, are fully customized for airBaltic. In order to facilitate active communication among employees, the new building features an open office layout with 11 conference rooms and other areas for individual meetings and discussions. Operations control center, call center and an emergency response center were designed with particular attention to details. On the floor various Forbo floor coverings have been installed, like Tessera carpet tiles, Marmoleum sheet flooring and Needlefelt flooring.
