

**Holstebro Gymnasium og HF**

The artist Margrethe Odgaard designed the floor applied in the Holstebro Gymnasium in Denmark. She studied at The Royal Danish Academy of Fine Arts, School of Design in 2005. Margrethe Odgaard has designed patterns and products for Hay, Ikea, Kähler and Georg Jensen. "It actually surprised me how many design possibilities there are with linoleum flooring. The Aquajet technology has made it possible to design as you wish. And I think Forbo has a very beautiful color scheme. I'm normally quite picky with that."
