

Ibis Styles Hotel Sallanches

Hôtel Ibis Styles Sallanches Pays du Mont-Blanc - ©D. Machet

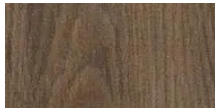

The Ibis Styles hotel located in Sallanches, France, wanted to create a modern and convivial atmosphere using high quality floor coverings. The hotel chose to use Forbo Sarlon acoustic vinyl and Flotex Vision flocked flooring. The Sarlon flooring enables an impact noise reduction which is an essential characteristic for a hotel. The Flotex flooring has the advantages of a carpet and is hygienic and acoustic as well. In other words, Flotex has all the essential characteristics that the sector of hospitality looks for in a floor covering. Moreover, the unique digital printing technique offers endless design possibilities.
