

## KLM Bedrijfsrestaurant Gebouw 404

Building 404, where the Engineering & Maintenance department of KLM is housed, has been completely restyled. The combination of Marmoleum Cocoa and Flotex Calgary Cement on the floor fits perfectly with the rest of the interior.

Interior Architect	Sander Griffioen
Location	Schiphol-Oost
Commissioned By	Sodexo - Quality of Life Services
Installation	Hilbrink Projectstofferend
