

Lloyds Register at Trinity Park

Forbo's Tessera Create Space 1 has been installed throughout Lloyds Register office at Trinity Park. An ideal floor covering for an office environment as Tessera Loop Pile products are designed to maintain their good looks in the most demanding heavy traffic areas such as busy offices. Create Space 1 is an exceptionally flexible range of 18 commercial colourways, styled for today's interiors and lends itself to single colourway installations, feature area designs and bespoke creative schemes. Lloyds Register at Trinity Park have used Create Space 1 to create feature area designs and brighten their offices as they have used bright colours against contrasting monochrome colours.

Project Name	Lloyds Register at Trinity Park
