

NHS Tayside Child and Adolescent Mental Health Unit

Multiple products from Forbo Flooring Systems' Marmoleum floor collection have combined to create a durable, design-led, resilient surface flooring solution for NHS Tayside's new Child and Adolescent Mental Health Services (CAMHS) unit.

Architect	Gauldie Wright & Partners
Flooring Contractor	MacGregor Flooring Company Ltd

Built in Dundee, the new £8 million facility will provide round-the-clock care for young people across the north of Scotland coping with mental health conditions.
