

NINO children's furniture collection, Poland

The Nino collection is a chair, table, toy container, high chair for older children and a fence that allows you to separate a play area for children. Thanks to Nino, you can create an aesthetic space friendly to the development of a child, supporting its creativity and expression. The surface of the table and chair can be additionally protected with a Forbo Furniture Linoleum protective coating. Linoleum is a natural and hygienic material of the highest quality, obtained in accordance with the principles of sustainable development. It is characterized by a matte, pleasant to the touch surface, resistant to staining and fingerprints. Nino furniture is made with attention to detail, from natural materials that are friendly to children and the environment. Nino will appeal to both children and parents. It is an ideal collection for homes and commercial spaces.
