

Naas Community College, Co. Kildare

The accommodation for this new 1000 pupil secondary school is in four elements – two wings of teaching accommodation, a multi-use hall and a Special Educational Needs Unit, all pivoted around a central General Purpose (GP) hub, the heart of the school. Marmoleum and Marmoleum Decibel natural linoleum flooring compliment the design and functionality, offering expansive colours to enhance the learning environment and provide proven, long-lasting, natural ingredient, flooring Conor Morrissey, Coady Architects
