

Nazareth care center

Nazareth care center is located in the center of Best, The Netherlands. Fifty clients with a psychogeriatric background live here. The cozy, spacious Gasterij restaurant with 80 seats is located on the ground floor. Here, every client and his/her visitors are welcome to have a drink or meal. The Gasterij is also open to local residents. On the floor various designs from our Allura luxury vinyl tiles collection have been installed.
