

Nicolaj Bo™

The Copenhagen design company specialising in kitchens, Nicolaj Bo™, has had a shop at Gl. Kongevej on Frederiksberg for a number of years. Now Nicolaj Bo™ has also opened a 'flagship store' on the centrally located corner of St. Kongensgade and Esplanaden on the outskirts of Frederiksstad. "Copenhagen is divided in two: City and Frederiksberg; now we are in both boroughs. At the same time, we have a voice now among other manufacturers with a high design profile, located in the area", says director and proprietor, furniture carpenter Nicolaj Bo, who welcomes 300 sqm. on two floors on Esplanaden 2. Nicolaj Bo™ also introduces a few new table series with Furniture under the name NB40. There are both square and round variants in several sizes, most often Ø130 cm.
