

**Office Management - Solna**

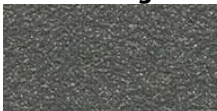

Office Management is an advisory service company that identifies and packages complete solutions for its customers. Since 1993, the company has created the conditions for everything related to a workplace, and to date has helped over 8,000 customers in Sweden, Norway, and Finland. In autumn 2021 Forbo Flooring Systems presented its floor solutions for Office Management and the new premises in Solna. A total of 2,800 m2 of flooring was installed during April-May 2022.
