

Ourimbah Veterinary Hospital

Ourimbah veterinary hospital located in Central Coast of NSW, it's not your average veterinarian clinic, they cater for all types of animals from dogs, rabbits to sheep, goats, alpacas well as wildlife of all kinds. Just like any other healthcare projects, flooring plays an essential part in the design of a veterinary clinic. An attractive yet hard-wearing floor gives clients a good first impression, helps reduce maintenance costs and ensuring staff, clients and animals safe. Our Sphera homogeneous vinyl sheet was chosen, thanks to the SMART-Top PUR finish it offers incredible durability, high resistance to chemicals, scratches and stains contributing to a longer lifetime and maintenance cost reduction making it the ideal flooring option.
