

## Restaurant d'entreprise, Saint-Georges-de-Montaigu

The architect of the development of this corporate restaurant called on Forbo Flooring Systems to choose the flooring. He chose a flaky textile flooring: the flotex. It is a quality product, known for its acoustic properties, walking comfort and ease of maintenance. The chosen product is part of the collection of natural vision setway. This category offers a wide variety of photo quality images transformed into very realistic flooring (wood, stone, etc.). The flotex floral vision textile flooring collection also offers a large number of combinations of colors and floral patterns.
