

FLOORING SYSTEMS

creating better environments

The Rieser Bauernmuseum is heritage-protected and you can find the museum in the old monastery complex. The display cabinet, the counter and some of the furnitures are furnished with Bulletin Board (colour 2202 and 2201). For the floor used the builder Forbo Walton Cirrus (colour 3360,3362,3355,3709) and Walton Concrete (colour 3707). Over 2.000 m<sup>2</sup> Bulletin Board and approximately 1.100 m<sup>2</sup> Walton is laid in this nice historic building
