

Rumas A/S

The wow room A room full of treats! This is what Rumas in Randers have made clear for their guests to show them the full length of the inventory of the manufacturer's capacity and competence. Doing the spring Rumas opened their showroom with a great display of interior solutions, traditional, and big rooms offices with working space for the sharing-concept. -The architects and designers can here be inspired to go new ways, also with Furniture. The materials are flexible in challenging geometry; and the range of colors are wide so it opens up for many variation, Rumas A/S introduce. The impression in Randers is both finished and integrated; there is a nice finish through the handcraft and Furniture stands neat in the innovative surroundings. -This room is really a good ambassador for Furniture, Forbo Flooring Systems A/S estimate.
