

Sint-Jozef Hospital

The Sint-Jozef hospital is situated in Turnhout, Belgium, and offers room for 230 patients. The hospital offers the basic services such as surgery, internal medicine, maternity, pediatrics and geriatrics. The following floors have been installed: Eternal Wood 11732, Sarlon Tech Sparkling 434214/434224 and Eternal Palette 40772. All of those designs are out of collection. If you click on the tablespots below, you will be directed to alternative floors.
