FLOORING SYSTEMS

creating better environments

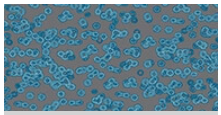

Skybox Vienna, Austria

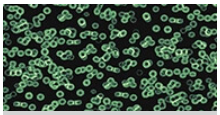

The SKY Bar Restaurant is located on top floor 7 of Vienna's lifestyle department store, Steffl. The dark, modern interior and the glass front offer breath-taking views of the capital's vibrant urban scenery as well as the outskirts of the city with its hills and vineyards. Forbo Flotex Sottsass Bacteria (990303 (300m^2) + 990102 (104m^2)) and Forbo Allura wood W60081 (60m^2) was used for the restaurant area.
