

Tartu Vocational Education Center

Põllu 11 is one of three Tartu Vocational Education Center buildings in Tartu, Estonia. The center wanted something colourful and exciting on the floor, but it should also be a natural floor covering. A colourful pattern of sustainable Marmoleum Modular tiles was chosen.

Nuoroda interjero architektas Kristi Lõhmus (Roomy)

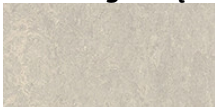

Nuoroda generalinis rangovas Tartu Ehitus AS

Nuoroda vieta Tartu, Estonia

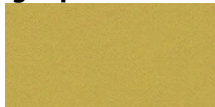

Nuoroda fotografas Saara Mägin
