

**VGD Office**

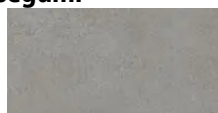

VGD is there for family businesses, SMEs and start-ups with a desire to do business. Whether you take over or start up a business: the drive to entrepreneurship, to push your limits is an essential part of any entrepreneur who wants to move forward. You are pulling the cart, that is clear. But every now and then you need a soundboard, a partner which you can go to. Because there are no more simple questions, and even less simple answers. At VGD, we encourage one-to-one talks. Together we will be sparring, about the present and the future, about why and why not, about you and what keeps you up at night. 'Let's talk' is the beginning of everything...
