

Wando High School Cafeteria

Wando high school is a growing high school with over 4000 students. It is an award winning school, part of the Charleston County Public School system. As one of the highest performing high schools in South Carolina, Wando consistently proves that a large, public, non-magnet high school serving a diverse population can produce outstanding results. For it's cafeteria, the architectural firm LS3P of Charleston, SC, used various colors of Marmoleum Marbled flooring. Marmoleum offers high end design, sustainable flooring, cost effectiveness and high performance.
