

Yasuragi Asian Spa

At Yasuragi Asian Spa in Stockholm, Sweden we have, together with the design bureau Wendt Sweden AB and flooring contractor Miljögol, delivered and installed over 500 square metres of Flotex. With the help of Flotex Vision as a base, the designer have created "islands" with different Flotex patterns. The area depicted is a big conference hall wich can be used both as a meeting area and a dining area.
