

Yorkshire Kitchens & Bedrooms

Yorkshire Trade Kitchens and Bedrooms and its retail sister brand, Create, has recently undergone a complete refurbishment, transforming a worn-out warehouse into an attractive modern-day furniture showroom. A wide range of Forbo Flooring Systems' Allura Luxury Vinyl Tiles (LVT) have been installed throughout all of the kitchen display areas of the retail studio, thanks to their hardwearing properties and array of contemporary design options. Having operated the business from a warehouse setting for over nine years, Amran Akhter, Director at Yorkshire Trade Kitchens and Bedrooms and a designer by trade, planned the redevelopment of the two-storey building with the aim to adapt the space into a place that was comfortable and enticing for customers. Amran said: "Our kitchens incorporate the latest trends in traditional, transitional and contemporary styles, so it was important that the flooring not only complemented each unit but also helped to enhance them. I carried out a lot of research into different flooring suppliers but it was Forbo and its Luxury Vinyl Tiles that stood out to me. The floor coverings are durable and comfortable with the aesthetics of natural materials, which I think is ideal for kitchen environments. The sheer variety of colours, effects and styles within the Allura LVT collection is truly unique and I knew that it would help to make our
