Design and Build firm, Oktra, recently specified a mix of Forbo Flooring Systems' Tessera carpet tiles and Allura Flex Luxury Vinyl Tiles (LVT)\* for the refurbishment of Zebra Technologies' new office space. From retro tetris style patterns to classic, yet contemporary chevron designs, the creativity of the floor scheme led the project to being commended in the Fly Forbo 2016/17 competition. \*The Allura Flex colours installed chosen are no longer in collection.
