

Bangor Regional Secure Care Facility

Forbo's Marmoleum - creating contemporary style and inspiring young people
A new residential care unit for youths under 17 at high risk turned to Forbo Flooring Systems to create a contemporary interior design. The Lakewood Regional Secure Care Facility, part of Ulster Community & Hospitals HSS Trust, based in Bangor, Northern Ireland chose Forbo's Marmoleum to add vibrancy to the floors of their new building.

Location	Bangor, United Kingdom
Architect	Nightingale Associates
Flooring contractor	Heron Brothers
