

## Christleton High School

Contemporary design in education with Forbo's Tessera Circulate  
Creating a stimulating and imaginative learning environment for Christleton High School's new £750k research centre, Forbo Flooring Systems' Tessera Circulate and Tessera Arran carpet tiles have been specified as a key part of the interior scheme. Located in Chester, the new building houses a library, a state-of-art ICT suite and a resource room for the school.
