

Frome Community Hospital

Marmoleum real, cut using Forbo Flooring Systems unique Aquajet Technology, has been specified for Frome Community Hospital to create a striking, bespoke design, aimed at enhancing the healing environment. Comprising 28 patient rooms, the hospital required a flooring system that could withstand the daily wear and tear of a healthcare environment, as well as create a relaxing atmosphere for patients and visitors.

Location	Somerset, United Kingdom
Architect	DK Architects
Flooring contractor	UK Flooring, Bristol
